TOY WONDERS' TOY DIRECTORY

Action Toys Subcategory:

The action toys category encompasses many different types of toys. These toys are not only powered by a child's imagination, but a great majority of these action toys are also powered by batteries. For your convenience, the number of batteries and type are stated in the description, and whether or not batteries are included. Click on one of the subcategories below to see more.

Blister Carded Toys & Hang-up Toys Subcategory:

Toy Wonders is a toy importer and a toy wholesale distributor of blister carded toys too. A great majority of impulse buy toys are packaged either on a blister card or in a poly bag with a header. Most of these types of toys find their way onto peg hooks, spinner racks, or in store bins. We have broken this category down into many subcategories. Click on the appropriate subcategory to see more.

Dolls & Play sets Subcategories:

Toy Wonders is a toy importer and toy wholesaler of children's toys. Dolls have been a mainstay in the toy industry. If we look back in history, dolls go way, way back --even before recorded history. Because of the longevity and nurturing appeal, every toy distributor and retailer will have some representation here. However, since this category is very focused on only one gender, it is vital that you focus your attention here and understand your customer base well; after all, you are only targeting half the children's population with this category. Knowing the answers to these questions will make it easier to select the items for his category:

1. In terms of race, what type of people do you service?
2. What type of space can you allot towards this category (e.g. wall, shelf, or counter)?
3. What price points do you need to be at?

Educational Toys & Musical Toys Subcategories:

Parents of all types have always placed extra value on toys that teach. Almost all the educational toys that we market are geared towards adults and children over the age of three. Many ambitious parents push the learning envelope with their children. For those toys geared toward infants and toddlers, we've put the toy's specific age recommendations in their descriptions. For marketability and safety reasons, these age recommendations should be strictly followed.

Sports Subcategories:

Toy Wonders is not just in the toy wholesale business but offers at wholesale a variety of Sports balls and sport play sets. Not only does ball playing build hand eye coordination, dexterity, and team spirit (at times), these balls promotes good old fashion exercise. Click on a subcategory to see more.

RC2 Johnny Lightning JL Racing Legends - Motion "King Cobra" (1:64, Black) 53233L

[Our Products: Vehicle Types](#) > [Blister Card Vehicles](#)

Item#: 53233L

53233L JOHNNY LIGHTNING JL Racing Legends - Motion "King Cobra". 1:64 scale diecast collectible model car. This Motion King Cobra race car is manufactured by RC2 Brands. Each car individually blister carded. Card size: 6" x 8". 53233L is in BLACK color with Gold roof. Bonus prime!

"All hail the king!" Before rising to fame as the creative genius behind the Baldwin-Motion Chevrolets, Joel Rosen also knighted a couple Shelby Cobras. By shoehorning a 427 into a Cobra body, Rosen came up with the King Cobra. Once, after driving it two hours to the drag strip, changing plugs and slapping on a pair of slicks, the King Cobra held court by cranking off a 10.27 ET, demolishing the previous record by a full two seconds! Few dared to joust with the likes of the King Cobra!
