Dolls & Play sets Subcategories:

Toy Wonders is a toy importer and toy wholesaler of children's toys. Dolls have been a mainstay in the toy industry. If we look back in history, dolls go way, way back --even before recorded history. Because of the longevity and nurturing appeal, every toy distributor and retailer will have some representation here. However, since this category is very focused on only one gender, it is vital that you focus your attention here and understand your customer base well; after all, you are only targeting half the children's population with this category. Knowing the answers to these questions will make it easier to select the items for his category:

1. In terms of race, what type of people do you service?
2. What type of space can you allot towards this category (e.g. wall, shelf, or counter)?
3. What price points do you need to be at?

Educational Toys & Musical Toys Subcategories:

Parents of all types have always placed extra value on toys that teach. Almost all the educational toys that we market are geared towards adults and children over the age of three. Many ambitious parents push the learning envelope with their children. For those toys geared toward infants and toddlers, we've put the toy's specific age recommendations in their descriptions. For marketability and safety reasons, these age recommendations should be strictly followed.

Signature Models - Jaguar XK120 (1949, 1:18, Orange) 18120

Our Products: [Vehicle Types](#) > [Oldies Cars \(before 1970s\)](#)

Item#: 18120OR

18120OR SIGNATURE MODELS 1949 Jaguar XK120. 1:18 scale diecast model. This 1949 Jaguar XK 120 is a 9.5"Lx 3.25"Wx 2.75"H diecast with opening doors/hood/trunk and workable steering. Display platform. This 49 Jaguar XK-120 is manufactured by Signature Models. 18120 in ORANGE color. Individually packed in a window box.

The XK120 was Jaguar's first totally new car since the end of World War II. Jaguar's founder, William Lyons, designed the car in three months in 1948 and his factory built a prototype for the Earls Court Motor Show in just two weeks. Demand for the car was so great and immediate that all the 1949 and 1950 models were made out of aluminum while the factory prepared the tooling to build the cars out of steel. The car, which sold at a list price of £G998, was fitted with a new six-cylinder, twin-overhead camshaft engine of 3442cc that could produce 160 horsepower and a sustained speed of 120 miles per hour, providing the 120 its name. Its revolutionary design featured independent front suspension and hydraulic breaks, which unfortunately had a tendency to wear out quickly. At 5 feet, 1.5 inches, the car was wider than other European sports cars, which allowed roomier leather seats as well as storage in the doors concealed with leather flaps. The car's undercarriage was based on the MK-V Saloon chassis but shortened 18 inches to 14 feet, 6 inches. Famous owners included Clark Gable, Phil Hill and Sterling Moss.

Case pack: 6 pcs.

Price quoted is for 1 pcs.
