Dolls & Play sets Subcategories:

Toy Wonders is a toy importer and toy wholesaler of children's toys. Dolls have been a mainstay in the toy industry. If we look back in history, dolls go way, way back --even before recorded history. Because of the longevity and nurturing appeal, every toy distributor and retailer will have some representation here. However, since this category is very focused on only one gender, it is vital that you focus your attention here and understand your customer base well; after all, you are only targeting half the children's population with this category. Knowing the answers to these questions will make it easier to select the items for his category:

1. In terms of race, what type of people do you service?
2. What type of space can you allot towards this category (e.g. wall, shelf, or counter)?
3. What price points do you need to be at?

Educational Toys & Musical Toys Subcategories:

Parents of all types have always placed extra value on toys that teach. Almost all the educational toys that we market are geared towards adults and children over the age of three. Many ambitious parents push the learning envelope with their children. For those toys geared toward infants and toddlers, we've put the toy's specific age recommendations in their descriptions. For marketability and safety reasons, these age recommendations should be strictly followed.

Not only does ball playing build hand eye coordination, dexterity, and team spirit (at times), these balls promotes good old fashion exercise. Click on a subcategory to see more.

Signature Models - Reo Touring (1917, 1:18, Blue) 18105

[Our Products: Vehicle Types](#) > [Potpourri](#)

Item#: 18105BU

18105BU SIGNATURE MODELS 1917 Reo Touring. 1:18 scale diecast model. 1917 Reo Touring is a diecast metal with steerable front wheels, highly detailed engine and interior, and opening front doors/rear doors/hood. Classic oldies car sits on display plaque. This 1917 Reo Touring is manufactured by Signature. ref. no 18105 BLUE color. Individually packed in a window box.

Automobile innovator Ransom Eli Olds formed the REO Motor Co. in 1904 after his penchant for the technical side of the business led him into confrontations that drove him from his namesake company, Oldsmobile. With his new company, which Olds named by using his own initials, he set out to make luxury cars at reasonable prices, using the slogan "The Gold Standard of Value." Although at \$1,250, the 1917 REO was not for every budget, it was still priced well less than other luxury cars at the time. This top-of-the-line model had a wheelbase of 126 inches with luxurious upholstery and seating for seven with its rear jump seat. The three-speed, six-cylinder engine was capable of producing 30.50 horsepower.
